

Sister Meeting for August 24, 2016

Members Present: Sister Ishey, Sister Anita, Sister Ruby, Sister Grace, Sister Nova, and Sister Honey, Sister yet to be named-Buffaye

Loose Ends

- A. There is consensus that we are still very open to guards.
- B. Everybody needs to have a Sister name and we need to try to use them in conversation. It is something that is very important.

First Manifestation conversation

- A. Everybody really seemed to enjoy their first times, still wanting to more practice with make up, etc.

Brainstorming

- A. Rocky Horror Picture Show fundraiser/nights
- B. Possible Manifestations
 - I. The Rainbowlers on Monday nights
 - II. PFLAGs, TimeOut Youth, etc.
 - III. Scorpio Talent Show Nights
 - IV. Performances-a couple of us getting together a lip sync number for Sunday nights at Bar 316, maybe other venues.
 - V. Contact all the HIV/AIDs groups to see if there is anything they need help with

Coronets

- A. Everybody likes Sister Anita's coronet idea- based on the Sisters of Mercy, an oversized nurses' hat

Miss Woodshed

- A. Sister Anita has been invited to host the Miss Woodshed pageant on October 10, 2016. It will be awesome to have everybody there to support Anita and the Woodshed as well.

Discussion on Manifesting alone

- A. There was consensus that it should be by a case by case basis, eventually determined by the officers. There was brought up the importance of a criterion (which would eventually be included in the Bylaws)

Make-up parties

September 14 & 21st

Respectfully Submitted,

Sister Grace O'Gawd, aka Jeremy
